This week I also had the honor of recognizing R.L Stevenson Elementary Sixth Grader, Khloe Soboczynski, as the recipient of another "Great Kids" Award.

Khloe has volunteered a considerable number of hours assisting a non-profit organization, "Walk on Water" a local organization that is dedicated to providing people the opportunity to bond with horses for therapeutic purposes.

Khloe volunteers in excess of 10 hours a week by aiding as a stable hand, grooming and tending to the animals.

Not only does Khloe volunteer her time in service to the community, she also demonstrates a sincere eagerness to learn during class lessons and is always willing to help others and her teacher!!

Khloe was nominated by Brevard County Sheriff's Office
